Great writing here! I love how you connected the dots. Add quotes in the title and in the body copy reference for easier reading:

The “Heal Your Money, Heal Your Hair” Money Circle Workshop

During this interactive workshop:

And if my strategies worked for NAME, I’m sure they’ll work for you. Here’s what NAME had to say about working with me:

**[VIDEO]**

Add a stronger transition on the pricing:

Now with all the secrets you’ll gain during our 2 hours together, I could easily price this workshop at \$500+, but because I’m committed to teaching women like you how to manage stress and get healthier from the inside out, I’m opening a few spots for only \$30.

At this price, I expect the workshop to fill up fast. Claim your seat today.

I’ll see you on \_\_\_\_\_, January 4, 2021 at 6 p.m. CST.

## **[BARBARA – LANDING PAGE]**

IF, you're tired of experiencing that Monday morning dread and feel you're suffocating your soul every time you clock into your existing job, it's time for a career shift. Period.

Now look, I realize changing careers sounds easier said than done. You have to submit job applications, go on interviews, pick yourself up after rejections and so on.

BUT seriously, what's the alternative?

Waking up to a job you hate 5 days a week?

Settling for a mediocre position when you know you're destined for so much more?

Silencing your full potential all because you're too afraid to leave your "comfortable job"?

Look, life is TOO short to settle for less than you deserve so here's what I'm urging you to do:

Register for my FREE Masterclass where you'll get the steps and guidance you need to land your next job offer. During our time together, you'll discover:

Get the Insights You Need to Level Up Your LinkedIn Game

LinkedIn has claimed the spot as a #1 professional job and networking site. So, if you're in the market for a career change, LinkedIn is where you need to be. BUT look, it's not enough to merely "be" on the site, you have to know how to leverage the platform to get quality job leads and make career-changing connections.

For example, using LinkedIn the right way means you can have an inbox full of employers begging to meet with you to discuss their open positions.

Ready to make LinkedIn work for you? Register now for my FREE 5-Day LinkedIn Job Leads Challenge.
